Description

Outpatient Addiction Treatment with Compassion and Support

At **SaVida Health Abingdon**, we provide respectful, evidence-based care for individuals facing opioid or alcohol addiction. Our local outpatient clinic offers **FDA-approved medication-assisted treatment (MAT)** along with in-house counseling, case management, and long-term support to help you build a strong foundation for recovery.

Personalized Care That Works for You

Every recovery journey is different. That's why we create individualized treatment plans based on your needs, goals, and lifestyle. Our medical team offers:

- **Medication-Assisted Treatment (MAT)** with options like **Suboxone®**, **buprenorphine**, **Sublocade®**, and **Vivitrol®**

- **Counseling and behavioral health support** to help manage stress, trauma, and relapse triggers

- **Case management services** to assist with housing, transportation, employment, and other real-life needs

- **Recovery planning and check-ins** to help you stay on track and feel supported over time

Addiction Treatment That Fits Your Life

Our Abingdon clinic is designed to make care accessible and convenient. You don't have to leave your job or family to get help, we're here to support you while you keep living your life. We offer:

- **Same-day or next-day appointments**

- **Flexible outpatient scheduling**

- **Telehealth options** for eligible patients

Quick insurance verification and help with paperwork

We accept **Medicaid, Medicare, and most commercial insurance plans**, and we'll walk you through the process so you can focus on getting better—not figuring it out alone.
