Outpatient Opioid and Alcohol Addiction Treatment in Montgomery County

At SaVida Health Blacksburg, we provide compassionate, evidence-based care for individuals struggling with opioid and alcohol addiction. Located in the heart of Montgomery County, VA, our clinic offers FDA-approved Medication-Assisted Treatment (MAT) combined with counseling, case management, and personalized support. Whether you're just beginning your recovery journey or continuing care, our team is here to help with a plan built around your life.

Personalized Treatment That Works for You

Every recovery journey is different. Our licensed medical professionals create individualized treatment plans that meet your specific needs. We offer:

- Medication-Assisted Treatment (MAT) using Suboxone, Buprenorphine, Sublocade, and Vivitrol
- In-house counseling and recovery-focused therapy
- Case management to help address needs like transportation, child care, housing, or employment
- Mental health support for co-occurring conditions
- Ongoing relapse prevention planning and check-ins

Convenient, Flexible Care in Blacksburg

Our outpatient services are designed to make treatment accessible without disrupting your daily routine:

- Same-day appointments when available
- Telemedicine options for eligible patients
- Walk-ins welcome during business hours
- Quick scheduling and insurance support

Affordable and Accessible Treatment

We accept Virginia Medicaid, Medicare, and most commercial insurance plans. Our team can assist you with benefit verification and paperwork so that cost and confusion don't stand in your way.
