Description

Comprehensive Opioid Addiction Treatment in Brattleboro, VT - SaVida Health

Welcome to SaVida Health Brattleboro, a place where compassion meets innovation in the treatment of opioid and alcohol addiction. Our Suboxone doctors are at the forefront of providing FDA-approved medication-assisted treatment, coupled with rehab/recovery counseling, to the Windham County community. At SaVida Health, we believe in treating you with the dignity and respect you deserve while helping you on your journey to recovery.

Personalized Medication-Assisted Treatment Options

Our array of treatment options, including Sublocade, Suboxone, Buprenorphine, and Vivitrol, are carefully selected to cater to your unique needs. We understand that each individual's path to recovery is different, and our licensed professionals are here to guide you through a treatment plan that's as flexible as it is effective.

Support Services for Holistic Recovery

Recovery transcends medical treatment. That's why we offer comprehensive case management and support services to ensure a successful, long-term recovery. From the moment you step into our center, you'll find a supportive environment and a team dedicated to your well-being.

Insurance and Payment Flexibility

We strive to make our services accessible by accepting Medicaid, Medicare, and most types of insurance. Our goal is to alleviate the financial stress so you can focus on what truly matters—your recovery.

Convenient and Accessible Care

Our treatment plans are designed to fit seamlessly into your life. With the possibility of same-day appointments and a commitment to minimizing disruption to your daily routine, we offer outpatient care that adapts to your schedule.
