Description

Outpatient Treatment for Opioid and Alcohol Addiction in Windham County

At SaVida Health Brattleboro, we provide personalized, evidence-based treatment for opioid and alcohol addiction in a respectful, outpatient setting. Our licensed care team offers **FDA-approved Medication-Assisted Treatment (MAT)**, combined with counseling, case management, and recovery support, to help you regain control and move forward with confidence.

We are proud to serve the Brattleboro community and surrounding areas with care that is local, accessible, and focused on you.

Individualized Treatment That Works for You

No two recovery journeys are the same. Our team takes time to understand your needs, challenges, and goals so we can build a treatment plan that fits your life. Services include:

- MAT using **Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®**

- **One-on-one counseling** and recovery-focused therapy

- **Case management** to support needs like transportation, child care, and housing

- **Relapse prevention planning** and ongoing recovery check-ins

Your care is delivered with compassion, privacy, and flexibility, so you feel supported every step of the way.

Flexible, Accessible Outpatient Care

We know that recovery needs to fit into real life. Our Brattleboro clinic offers:

- **Same-day or next-day appointments** when available

- **Telehealth visits** for eligible patients

- Flexible scheduling with minimal disruption to work, school, or family routines

- **Walk-in availability** during clinic hours

Affordable Care with Insurance Support

We accept **Medicaid, Medicare, and most commercial insurance plans**. Our care team will help verify your coverage and guide you through the paperwork so you can focus on your health, not insurance barriers.
