## Comprehensive Opioid Addiction Treatment in Bristol, TN

At SaVida Health Bristol, we provide personalized, evidence-based treatment for opioid and alcohol addiction in a supportive outpatient setting. Our team specializes in Medication-Assisted Treatment (MAT), using FDA-approved medications combined with counseling and recovery services to help individuals build long-term stability and well-being.

### Your Recovery Path Starts Here

Recovery isn't one-size-fits-all. At our Bristol clinic, we tailor each treatment plan to the individual. Our services include:

- Medication-Assisted Treatment (MAT) with options like Suboxone and buprenorphine
- Individual counseling to address emotional and behavioral aspects of addiction
- Case management and recovery support services

Personalized care focused on your goals, needs, and lifestyle

Our integrated approach ensures that your treatment plan reflects not only your medical needs but also the real-life challenges you face along the way.

### Accessible, Patient-Centered Care

We know how important timing and access are in recovery. SaVida Health Bristol offers:

- Same-day appointments when available
  - Flexible outpatient care that fits your schedule
  - Telehealth options for eligible patients
  - Assistance with insurance and paperwork
- We accept most insurance plans, including Medicaid and Medicare, to ensure that quality care is available to everyone who needs it.

### A Compassionate Environment for Healing

Our clinic is a safe, respectful space where patients are treated with dignity and care. Our licensed providers and support staff work together to help you overcome addiction and move toward a healthier future. We also address the underlying factors that often accompany addiction, such as mental health needs and life stressors, to ensure a more complete recovery process.
