Empathetic Opioid Addiction Treatment in Calais, ME - Suboxone Replacement Therapy

Welcome to SaVida Health Calais, a sanctuary for those seeking help with opioid addiction. Our center in Washington County is dedicated to providing FDA-approved medication-assisted treatment, combined with rehab and recovery counseling, in a supportive and confidential setting.

Tailored Treatment Options

At SaVida Health Calais, we understand that each journey to recovery is unique. We offer a range of treatment options including Sublocade, Suboxone, Buprenorphine, and Vivitrol. Our team is committed to helping you find the treatment plan that best suits your needs. For added convenience, we offer same-day and telemedicine appointments.

Comprehensive Support Services

Your long-term recovery is our priority. We provide extensive support services, including case management and counseling, to ensure a successful and sustainable recovery journey. Our approach is holistic, addressing not just the physical aspects of addiction, but also the emotional and psychological components.

Insurance and Accessibility

We believe that financial constraints should not be a barrier to receiving quality care. SaVida Health Calais accepts Medicaid, Medicare, and most commercial insurance plans. Our goal is to make treatment accessible and affordable for everyone in need.

Professional and Compassionate Care

Our treatment plans are administered by a team of licensed and experienced professionals who are deeply committed to your well-being. We strive to create a respectful and compassionate environment where you can feel safe and supported throughout your recovery process.

Your Path to Recovery Begins Here

Take the first step towards a healthier, more fulfilling life. Contact SaVida Health Calais for more information about our services or to schedule your appointment.

Insurance and New Patient Information:

We accept most types of insurance and are currently welcoming new patients.
