Outpatient Opioid and Alcohol Addiction Treatment in Tazewell County

At **SaVida Health Claypool Hill**, we provide personalized, evidence-based treatment for opioid and alcohol use disorders in a respectful, outpatient setting. Our licensed team offers **FDA-approved Medication-Assisted Treatment (MAT)** along with counseling, case management, and recovery support to help individuals build a healthier, more stable future.

Whether you're just beginning recovery or continuing care, our Claypool Hill team is here to support you with experience, compassion, and flexibility.

Personalized Treatment That Fits Your Life

We understand that each patient's path to recovery is different. That's why we offer individualized treatment plans that may include:

- **MAT options** including Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®
- **One-on-one counseling** to address emotional and behavioral health needs
- **Case management** for support with transportation, housing, childcare, or employment

• **Telehealth appointments** and flexible scheduling to fit your daily routine

Our outpatient model allows you to maintain your responsibilities at home, work, or school while getting the care you need.

Accessible and Local Care You Can Count On

We offer **same-day and next-day appointments** when available and accept **Medicaid, Medicare, and most commercial insurance plans**. Our care coordinators can assist with paperwork, benefits, and scheduling to ensure care starts as soon as you're ready.

Located in Claypool Hill, our center is convenient for residents of **Cedar Bluff, Richlands, Doran, Raven, Wardell, and Honaker**. We're proud to offer effective treatment options to the people of Tazewell County and surrounding communities.
