Opioid Addiction Treatment in Clintwood, VA – Compassionate Care and Expertise

Welcome to SaVida Health Clintwood, your local center for opioid addiction treatment in Dickenson County, VA. We specialize in providing FDA-approved medication-assisted treatment, coupled with comprehensive rehab and recovery counseling. Our goal is to support you in beginning or continuing your recovery journey with the utmost respect, compassion, and confidentiality.

Tailored Treatment Options

At SaVida Health Clintwood, we understand that each individual's journey is unique. That's why we offer a variety of treatment options, including Sublocade, Suboxone, Buprenorphine, and Vivitrol, among others. Our team is committed to finding the right treatment plan for you, and we offer same-day and telemedicine appointments for your convenience.

Supportive Services for Long-Term Recovery

We believe in a holistic approach to recovery, which includes case management, counseling, and other support services to ensure your long-term success. Our treatment plans are administered by licensed and experienced professionals who are dedicated to your well-being.

Insurance and Accessibility

SaVida Health Clintwood accepts Medicaid, Medicare, and most types of Virginia commercial insurance. We are committed to making our services accessible and convenient for everyone in need.

Convenient Local Treatment in Clintwood, VA

Our outpatient services are designed to deliver quality care without disrupting your daily routine. We offer flexible, individualized treatment plans and telemedicine appointments to accommodate your needs. Our center is easily accessible to residents in and around Clintwood, VA.
