## Outpatient Opioid and Alcohol Addiction Treatment

At SaVida Health Culpeper, we provide compassionate, outpatient care for individuals struggling with opioid and alcohol addiction. Our team of licensed providers offers **FDA-approved Medication-Assisted Treatment (MAT)**, including Suboxone and Buprenorphine, along with counseling and personalized recovery support.

Whether you are taking your first step toward recovery or continuing your journey, we are here to guide you with dignity, respect, and effective care.

### Tailored Treatment That Fits Your Life

Recovery is different for everyone. That's why we build individualized treatment plans based on your goals, history, and lifestyle. We offer:

- Medication-Assisted Treatment (MAT) with Suboxone® and Buprenorphine
- Counseling and behavioral support to address emotional and mental health needs
- Relapse prevention planning and ongoing progress check-ins

A patient-first approach, focused on long-term success

Our providers take time to understand your situation and recommend the treatment path that best supports your recovery.

### Outpatient Services That Work With Your Schedule

Our clinic in Culpeper offers outpatient care that allows you to continue living your life while receiving the help you need. We provide:

- Same-day or next-day appointments when available
- Telemedicine options for eligible patients
- No overnight stays required

Flexible scheduling designed around your needs

Our outpatient model makes recovery possible without disrupting your job, school, or family responsibilities.

### Insurance Accepted and Confidential Care

We accept **Medicaid, Medicare, and most commercial insurance plans** to help make treatment affordable and accessible. Our staff will assist with insurance questions, paperwork, and appointment scheduling to ensure a smooth intake process.

All inquiries and appointments are completely confidential. You will be treated with respect from your first phone call to your final visit.
