Whether you're starting your journey or continuing treatment, we are here to support you with dignity and proven care.

Comprehensive Treatment Tailored to You

We understand that recovery is personal. Our team works closely with each patient to develop a treatment plan that fits their needs and lifestyle. Services include:

- MAT with **Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®**

- Individual counseling and therapy

- Case management and recovery assistance

- Relapse prevention support and follow-up care

- Telehealth appointments available when appropriate

Our approach addresses both the physical and emotional sides of addiction for long-term recovery success.

Local Care in Dover, Delaware

Our Dover clinic is conveniently located to serve patients across **Kent County** and nearby areas, including Camden, Smyrna, Harrington, and Milford. We provide access to care close to home, making treatment more convenient and consistent.

Flexible, Outpatient Services That Fit Your Life

Recovery doesn't have to disrupt your day-to-day life. We provide:

- Same-day or next-day appointments when available

- Flexible scheduling options

- Fully outpatient care, no overnight stays required

- Supportive staff focused on your individual goals

Insurance Accepted and Confidential Support

SaVida Health Dover accepts **Delaware Medicaid, Medicare, and most private insurance plans**. Our team will assist with verifying your coverage, explaining your benefits, and managing paperwork so you can focus on recovery. All services are provided with complete confidentiality.
