Opioid Addiction Treatment in Front Royal, VA – Suboxone Experts and Compassionate Care

Welcome to SaVida Health's Front Royal location, a leader in opioid and alcohol addiction treatment. Our specialized Suboxone doctors offer evidence-based, integrated, medication-assisted treatment tailored to meet your needs. We provide a convenient outpatient program, allowing you to return home or to work after each visit.

A Comprehensive Approach to Recovery

Our treatment plans are a blend of individual and group counseling, medical management with FDA-approved medications like Suboxone and Vivitrol, and recovery assistance services. These services are designed to connect you with vital social and economic support, aiding your journey to recovery.

Personalized and Professional Treatment

At our Front Royal clinic, our professionally licensed team is dedicated to creating a personalized treatment plan for you. Whether you're long into your recovery journey, have recently relapsed, or are just beginning, we offer various treatment options including Suboxone, Buprenorphine, Sublocade, and Vivitrol to best suit your needs.

Respectful, Compassionate, and Confidential Care

Recognizing addiction as a disease rather than a personal failure, SaVida Health Front Royal delivers respectful, compassionate, and confidential care. Reach out to us to discover how we can support you in your path to recovery.

Making a Difference in Opioid Addiction Treatment

Our Front Royal treatment center provides individual and group counseling, FDA-approved medication-assisted treatment, and comprehensive recovery support services. These services extend to essential needs like transportation, child care, and housing. We also offer intensive outpatient treatment and address co-occurring mental health issues associated with substance use disorders.
