Description

Outpatient Opioid and Alcohol Addiction Treatment in Warren County

SaVida Health Front Royal provides outpatient, evidence-based care for individuals struggling with opioid and alcohol addiction. Our licensed medical providers offer **FDA-approved Medication-Assisted Treatment (MAT)**, counseling, and case management to support patients at every stage of recovery.

Whether you're just getting started or returning to care after a relapse, we meet you where you are with real tools for progress.

Individualized Care That Works

Every patient's journey is different. That's why we create **personalized treatment plans** based on your unique needs, goals, and health history. We offer:

- MAT options including **Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®**

- **Individual and group counseling** sessions

- **Case management services** to help with housing, transportation, child care, and more

- **Support for co-occurring mental health conditions**

- **Intensive outpatient treatment (IOP)** where appropriate

All care is delivered in a respectful, confidential, and judgment-free setting.

Convenient, Local Outpatient Services

Our clinic is conveniently located in **Front Royal, VA**, and serves patients throughout **Warren County** and nearby communities. We offer flexible appointment times and **no overnight stays are required**, making it easier to balance work, family, or school commitments.

Services include:

- Same-day or next-day appointments (when available)

- Telemedicine visits for eligible patients

A welcoming team that supports your recovery without disruption to your routine

Our Approach to Recovery

At SaVida Health, we treat addiction as a **chronic medical condition**, not a moral failure. That means our care is grounded in science, compassion, and practical support.

We combine medical treatment with behavioral therapy and social support to help you:

- Manage withdrawal symptoms

- Reduce cravings

- Rebuild relationships

- Regain independence

- Plan for long-term recovery

Our goal is to remove barriers and help you build a stable, healthier life—one step at a time.
