Located in Gilford, NH, our clinic provides care in a calm, private setting, surrounded by the beauty of the Lakes Region.

Your Recovery, Your Way

No two paths to recovery are the same. At SaVida Health Gilford, we offer:

- **Suboxone® and Buprenorphine treatment**
- **Individual counseling** and behavioral therapy
- **Case management** for support with housing, transportation, and other challenges
- **Same-day and telehealth appointments** for qualified patients

A respectful, confidential environment with flexible scheduling

Our care plans are tailored to your specific needs, based on your current stage of recovery, rather than a one-size-fits-all model.

Local, Flexible Care You Can Count On

Our outpatient model means you can receive treatment **without putting your life on hold**. You'll have access to local care that fits into your schedule, with no overnight stays required.

We're here to support:

- First-time treatment seekers
- Patients transitioning from other programs
- Those needing consistent, structured outpatient care

Insurance and Accessibility

We accept **New Hampshire Medicaid, Medicare, and most commercial insurance plans**. Our team will help verify coverage and walk you through the intake process, so treatment starts with clarity and support, not confusion.
