Opioid Addiction Treatment in Lebanon, VA – Caring and Effective Solutions

Introducing SaVida Health Lebanon, your local center for opioid and alcohol addiction treatment in Windham County. Our skilled Suboxone doctors provide FDA-approved medication-assisted treatment (MAT), combined with rehab/recovery counseling, to offer you the support and respect you deserve on your recovery journey.

Varied Treatment Options to Suit Your Needs

Our Lebanon, VA addiction treatment center offers a range of MAT options, including Sublocade, Suboxone, Buprenorphine, and Vivitrol. We understand that each person's path to recovery is unique, and we are here to help you find the treatment option that best fits your needs.

Comprehensive Support for Long-Term Success

In addition to our medication options, we offer case management and other support services designed to aid in your long-term recovery. We accept Virginia Medicaid, Medicare, and most commercial insurance plans, ensuring our treatments are accessible and inclusive.

Convenient and Community-Based Care

SaVida Health Lebanon is proud to offer outpatient addiction treatment within your local community. Our program is designed to be efficient and flexible, fitting into your daily routine without the need for out-of-town travel or overnight stays. Our approach ensures that you receive quality care in a setting that respects your daily life commitments.

Accessible and Tailored Treatment

We recognize the importance of providing care that aligns with your individual needs and schedule. Our Lebanon center offers same-day appointments, subject to availability, to accommodate your needs promptly and effectively.
