## Outpatient Opioid and Alcohol Addiction Treatment in Lebanon, VA

SaVida Health Lebanon provides personalized, outpatient care for individuals living with opioid and alcohol addiction. Our team offers **FDA-approved Medication-Assisted Treatment (MAT)** using medications like Suboxone®, Sublocade®, Buprenorphine, and Vivitrol®, paired with counseling and supportive services to help you build a healthier future. We treat every patient with dignity, compassion, and respect—because recovery is personal, and so is your care.

### Individualized MAT Options That Fit Your Life

Our Lebanon clinic offers a variety of treatment options tailored to each patient's recovery needs and goals. Services include:

- **Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®**

- One-on-one counseling and group support

- Case management to help with housing, transportation, and other needs

- **Same-day and telemedicine appointments**, when available

- Personalized care plans built around your schedule and recovery stage

### Local, Flexible Outpatient Care in Your Community

SaVida Health Lebanon serves patients throughout **Russell County and surrounding areas**, offering access to care close to home. Our outpatient model allows you to:

- Stay connected to your job, family, and daily responsibilities

- Avoid long travel times or inpatient stays

- Receive care in a welcoming, confidential setting

We work with you to make recovery as accessible and sustainable as possible.

### Insurance Accepted and Intake Made Simple

We accept **Virginia Medicaid, Medicare, and most commercial insurance plans**. Our staff is here to guide you through the intake process, verify your coverage, and answer any questions, so you can focus on getting better.
