Description

Transformative Opioid Addiction Care in Lincoln, ME

SaVida Health proudly extends its expert opioid addiction treatment services to the community of Lincoln, Maine. Our Lincoln center specializes in Suboxone therapy, offering a compassionate, patient-centered approach to overcoming opioid addiction. Located in the heart of Lincoln, our facility is a beacon of hope and healing for those seeking a new beginning. At SaVida Health Lincoln, we understand that recovery is a personal journey. That's why we offer tailored medication-assisted treatments, including Suboxone and buprenorphine, designed to meet the unique needs of each individual. Our services go beyond medical treatment; we provide comprehensive care that includes individual counseling, effective case management, and a wide range of recovery support services. Accessibility to quality care is a cornerstone of our mission. We accept a variety of insurance plans, including Medicaid, ensuring that our services are available to as many people as possible. Recognizing the urgency and importance of starting treatment, we offer the convenience of same-day appointments. In our Lincoln center, you will find a supportive, confidential, and respectful environment. We are dedicated to helping you every step of the way on your path to recovery. Our team of professionals is committed to providing the care and support you need to reclaim your life from addiction.
