Opioid Addiction Treatment in Luray, VA – Supportive and Respectful Care

Welcome to SaVida Health Luray, your trusted center for opioid and alcohol addiction treatment in Page County. Our skilled Suboxone doctors offer FDA-approved medication-assisted treatment (MAT), along with rehab/recovery counseling, to guide you on your path to recovery with the respect and support you deserve.

Tailored Treatment Options for Your Needs

At our Luray addiction treatment center, we provide various treatment options, including Sublocade, Suboxone, Buprenorphine, and Vivitrol, to best meet your individual needs. We offer the convenience of same-day and telemedicine appointments, making it easier for you to access our services.

Comprehensive Support for Long-Term Recovery

We are committed to your successful, long-term recovery. Our services include case management, counseling, and other essential support services. We accept Medicaid, Medicare, and most Virginia commercial insurance plans to ensure our treatments are accessible.

Experienced Professionals and Personalized Care

Our treatment plans are administered by licensed and experienced professionals who understand the unique challenges of each person's recovery journey. We offer comprehensive treatment plans that may include medication management, behavioral healthcare, counseling, and support services.

Community-Centric Outpatient Services

Our Luray, VA treatment center delivers outpatient, FDA-approved addiction treatment tailored to each individual. We provide flexible outpatient services and telemedicine appointments for your convenience, ensuring quality care without disrupting your daily life.
