Located in the heart of Forest, just outside Lynchburg, our center delivers **FDA-approved Medication-Assisted Treatment (MAT)** alongside counseling and case management in a supportive and confidential setting.

We are committed to helping you regain control of your life through compassionate, evidence-based care tailored to your individual needs.

#### Why Choose SaVida Health Forest?

Recovery is not one-size-fits-all. That's why we offer:

•

#### Personalized Treatment Plans

Each plan includes Suboxone®, Buprenorphine, or Vivitrol® combined with counseling and practical recovery support.

•

#### Licensed, Compassionate Providers

Our care team brings years of experience and empathy to every appointment.

•

#### Flexible and Accessible Care

Same-day appointments and telemedicine options available to fit your schedule.

•

#### Integrated Support Services

From counseling to case management, we help address real-life challenges like housing, employment, and transportation.

#### Services We Offer

•

#### Medication-Assisted Treatment (MAT)

MAT with Suboxone®, Buprenorphine, or Vivitrol® helps reduce cravings and withdrawal symptoms while supporting long-term sobriety.

•

#### Counseling and Behavioral Therapy

One-on-one and group counseling to address emotional and psychological components of addiction.

•

#### Case Management

Our team helps connect you with community resources and support for housing, employment, legal aid, and more.

•

#### Recovery Support Services

Designed to reduce barriers and promote lasting recovery.
