Description

Opioid Addiction Treatment in Buchanan County, VA

At SaVida Health, we are dedicated to providing comprehensive opioid addiction treatment in the heart of Buchanan County, VA. Our team of empathetic Suboxone doctors is at the forefront of offering personalized treatment for both alcohol and opioid use disorders. Our outpatient addiction treatment center in Oakwood, VA, is designed to support your recovery journey with the utmost respect and professionalism.

Personalized Medication-Assisted Treatment

We understand that each individual's journey to recovery is unique. That's why our FDA-approved medication-assisted treatment (MAT) is tailored to meet your specific needs. Our licensed professionals are committed to helping you overcome the challenges and triggers of addiction through a combination of medication, counseling, and support services.

Support Services for a Sustainable Recovery

Our comprehensive approach extends beyond medication. We provide a suite of support services aimed at breaking down the barriers to a healthier life. From case management to rehab/recovery counseling, our goal is to foster a safe and nurturing environment that promotes long-term recovery from opioid and alcohol use disorders.

Flexible Treatment Options

Your path to recovery should be as convenient as possible. We offer a range of treatment options, including Sublocade, Suboxone, Buprenorphine, and Vivitrol. To accommodate your needs, we provide the flexibility of same-day appointments and the option for online/remote consultations.

Insurance and Payment Options

We believe that financial constraints should not hinder your access to quality care. SaVida Health accepts Medicaid, Medicare, and most commercial insurance plans, ensuring that our treatments are accessible to all members of our community.
