Opioid And Alcohol Addiction Treatment in Buchanan County, VA (Oakwood, VA)

At SaVida Health Buchanan County, we provide respectful, evidence-based outpatient care for individuals facing opioid and alcohol addiction. Located in Oakwood, VA, our clinic serves the broader Buchanan County community with personalized **Medication-Assisted Treatment (MAT)**, counseling, and recovery support designed to help you build a stable and fulfilling life.

Personalized Treatment That Meets You Where You Are

We understand that recovery is a personal journey, and our treatment plans reflect that. Our services include:

- **FDA-approved Medication-Assisted Treatment (MAT)** with Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®

- **Counseling and behavioral health support** to manage emotional and social challenges

- **Case management and recovery coordination** to help with transportation, housing, and more

- **Telehealth services** and **same-day appointments** are available when available for maximum flexibility

Your care plan is tailored to your goals, schedule, and needs.

A Holistic Approach to Long-Term Recovery

Our support doesn't stop at medication. We take a comprehensive approach to recovery, helping patients overcome both medical and non-medical barriers to wellness. Whether you're dealing with childcare challenges, transportation issues, or housing instability, our care team is here to help you navigate the path forward with practical support and compassionate guidance.

Local Care with Real Accessibility

Our Oakwood clinic is part of the Buchanan County community. That means you don't have to travel far—or wait weeks—to get help. We offer:

- **Same-day and next-day availability**

- **Remote/telehealth options** for eligible patients

Insurance assistance and paperwork support

We accept **Medicaid, Medicare, and most private insurance plans**, making care accessible and affordable for more patients in our region.
