# Outpatient Opioid and Alcohol Addiction Treatment in Petersburg, VA

SaVida Health in Petersburg, VA provides **evidence-based outpatient treatment for opioid and alcohol use disorders**, serving Dinwiddie, Prince George County, and surrounding areas. Patients receive **FDA-approved Medication-Assisted Treatment (MAT)**, counseling, and comprehensive support in a safe and respectful setting.

## Comprehensive, Personalized Care Plans

Treatment begins with an individualized plan built around your recovery goals. Our licensed providers offer:

- **MAT options** including Suboxone®, Sublocade®, Buprenorphine, and Vivitrol®

- **One-on-one counseling** to address behavioral health and emotional well-being

- **Case management and recovery support** to help with housing, employment, transportation, or legal needs  
Care is confidential, compassionate, and tailored to support long-term success.

## Same-Day and Flexible Appointments

Patients can access care quickly through **same-day appointments** and **telemedicine options**. Our outpatient model allows individuals to continue work, school, or family responsibilities while receiving structured, supportive addiction treatment.

Benefits of choosing a local Petersburg clinic include:

- Easier access to appointments

- Fewer transportation barriers

- Higher engagement in ongoing care

- Integration of recovery into daily life

## Support Beyond Medication

Recovery is more than symptom relief. Our team provides:

- **Counseling services** for emotional and psychological support

- **Recovery assistance** to navigate real-life challenges

A care environment built on **dignity, trust, and accountability**

This integrated model helps build stability and reduce relapse risk over time.

## Insurance and Accessibility

We accept **Virginia Medicaid, Medicare, and most commercial insurance plans**. Our team is available to answer insurance questions, verify benefits, and help you start treatment without unnecessary delays.
