Opioid Addiction Treatment in Roanoke, VA – Compassionate and Individualized Care

Welcome to SaVida Health Roanoke, a leading opioid addiction treatment center in Roanoke, VA. Our team of Suboxone doctors is dedicated to providing alcohol and opioid addiction treatment to Roanoke County and its surrounding communities. We offer FDA-approved medication-assisted treatment combined with rehab/recovery counseling, ensuring a comprehensive approach to your recovery.

Personalized Treatment for Comprehensive Recovery

Our outpatient treatment plans are administered by licensed professionals who are committed to delivering caring and experienced treatment. We understand the importance of personalized care, tailored to meet the individual needs of each patient. Our goal is to help you or your loved one overcome barriers and achieve a healthier, more fulfilling life.

Support Services for Lasting Recovery

In addition to medication options like Sublocade, Suboxone, Buprenorphine, and Vivitrol, we provide an array of support services. This includes case management and counseling, designed to aid in your successful and long-term recovery. Our environment is safe and supportive, ideal for effectively recovering from opioid and alcohol use disorders.

Convenient Access and Flexible Appointments

For added convenience, we offer same-day and online/telemedicine appointments to fit your schedule. Our center's location and appointment flexibility ensure that getting the help you need is as straightforward as possible.

Accessible and Local Care

Our Roanoke center is easily accessible, reducing travel times and making it easier for you to receive treatment close to home or work. This local accessibility is crucial in enhancing your chances for a successful recovery.
