Outpatient Opioid and Alcohol Addiction Treatment in Rocky Mount, VA

SaVida Health Rocky Mount provides **personalized, evidence-based outpatient care** for individuals struggling with opioid and alcohol addiction. Our treatment program combines **FDA-approved Medication-Assisted Treatment (MAT)** with counseling, behavioral health services, and real-life recovery support.

Personalized Treatment Plans That Address the Whole Person

Each patient receives a treatment plan tailored to their unique needs and recovery goals. Our services include:

- **Suboxone®, Buprenorphine, and other MAT options** to manage withdrawal and reduce cravings

- **Individual counseling and behavioral therapy** to address emotional and psychological aspects of addiction

- **Supportive care and case management** to assist with housing, employment, transportation, and legal challenges
Our licensed team focuses on treating the root causes of addiction, not just the symptoms.

Flexible, Accessible Care in Rocky Mount

We make it easier to start and stay in recovery with:

- **Same-day appointments** when available

- **Telemedicine options** for remote access to care

- A discreet, outpatient model that fits into work, school, or family life

- Acceptance of **Virginia Medicaid, Medicare, and most private insurance plans**

This accessibility helps patients stay engaged and build momentum in their recovery journey.

A Safe, Supportive Recovery Community

At SaVida Health Rocky Mount, patients are met with compassion, respect, and dignity. Our clinic provides:

- A **nonjudgmental environment** where patients feel heard and supported

- Ongoing encouragement and education

- A care team that understands the complexity of addiction and is committed to helping you succeed

You don't have to face recovery alone—we're here to walk with you every step of the way.
