Comprehensive Opioid Addiction Recovery in Sanford, ME

SaVida Health Sanford: Your Partner in Opioid and Alcohol Addiction Recovery

Welcome to SaVida Health's Sanford center, a place of hope and healing for those seeking comprehensive treatment for opioid and alcohol addiction. Our outpatient facility is dedicated to providing FDA-approved Medication-Assisted Treatment (MAT), enhanced by personalized counseling services, to effectively support individuals grappling with opioid and alcohol use disorders.

At SaVida Health Sanford, we adopt a holistic approach to addiction recovery, combining medication with counseling and a range of supportive services. Our focus extends beyond treating the addiction itself to addressing the underlying personal and social factors contributing to it. This all-encompassing approach nurtures hope, encourages healthier lifestyles, and paves the way for a brighter future.

Tailored Care for Effective Recovery

Our Sanford center is staffed with licensed, empathetic professionals committed to developing individualized treatment plans. We offer Case Management, Counseling, and diverse Support Services, all customized to meet the unique needs of each patient. With options like same-day appointments and telemedicine, we strive to provide accessible, barrier-free care to everyone.

Begin Your Journey to Recovery

Ready to start your recovery journey? Reach out to SaVida Health's Sanford outpatient center. We are dedicated to your complete recovery, providing you with the highest level of respect and quality care. Discover more about our treatment plans and their potential to transform your life and the lives of your loved ones.

Experienced Professionals at Your Service

Our opioid addiction treatment plans are delivered by a team of licensed and seasoned professionals. They are committed to assisting you in overcoming obstacles and achieving a rewarding, long-term recovery. Our extensive support services, including Case Management and Counseling, are designed to support your successful recovery in a secure and nurturing environment.

Customized Treatment Options

We provide a variety of treatment options, such as Suboxone, Buprenorphine, and Vivitrol, each tailored to suit your specific needs. Visit or contact our Sanford center to find the most effective treatment plan for you.

Insurance and Payment Flexibility

SaVida Health Sanford accepts Medicaid, Medicare, and most commercial insurance plans, making our treatments accessible to a wide range of individuals. Contact us today to learn how we can accommodate your schedule and start you on your path to recovery.
