Outpatient Treatment for Opioid and Alcohol Addiction in Chittenden County

At SaVida Health South Burlington, we provide **personalized outpatient treatment** for individuals struggling with opioid or alcohol addiction. Our care model combines **FDA-approved Medication-Assisted Treatment (MAT)** with counseling, case management, and ongoing recovery support—all delivered with compassion, respect, and a focus on your unique path to recovery.

Whether you're starting treatment for the first time or returning to care, our team is here to support your next step forward.

Individualized Treatment That Fits Your Life

We know that no two recovery journeys are the same. Our licensed providers work with you to create a treatment plan that supports your needs, goals, and lifestyle. Services include:

- MAT using **Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®**

- **One-on-one counseling** and behavioral therapy

- **Case management** to assist with housing, transportation, and employment

- **Relapse prevention planning** and check-ins

- **Same-day appointments** and **telehealth options** when appropriate

Our outpatient model allows you to stay connected to your family, job, or education while receiving effective care.

Convenient and Accessible Care in South Burlington

Located in Chittenden County, our clinic serves patients from South Burlington, Burlington, Essex, Winooski, and surrounding areas. We make it easy to get started with:

- **Same-day or next-day appointments** when available

- **Flexible scheduling** that fits your life

- **A welcoming and respectful care environment**

Insurance Accepted and Confidential Support

We accept **Vermont Medicaid, Medicare, and most private insurance plans**. Our team is here to walk you through your coverage and help with paperwork to make care more accessible.

All patient interactions are confidential, and our team is committed to providing care with compassion and discretion.
