Opioid Addiction Treatment in St. Johnsbury, VT – Compassionate and Effective Care

Welcome to our opioid addiction treatment center in St. Johnsbury, VT. Here, our Suboxone doctors provide effective, compassionate, and respectful medication-assisted treatment, along with rehab/recovery counseling, for those battling opioid and alcohol addiction. Our FDA-approved medication-assisted treatment program is available right in your community, offering options like Suboxone, Buprenorphine, Sublocade, and Vivitrol.

Supportive Services for Comprehensive Recovery

We understand that recovery is a multifaceted journey. That's why we offer case management and various support services to ensure a successful, long-term recovery. Our approach is holistic, addressing not just the addiction but also the underlying causes and day-to-day challenges.

Flexible and Personalized Treatment Plans

Our treatment plans are flexible and administered by licensed and experienced professionals. We are dedicated to creating a treatment plan that fits into your schedule, ensuring that receiving care does not disrupt your daily life.

Accessible Outpatient Services

SaVida Health St. Johnsbury offers efficient outpatient addiction treatment, meaning there's no need for overnight stays at our facility. Our services are designed to be flexible, accommodating walk-ins and providing same-day appointments when possible. Each treatment plan is tailored to the individual, allowing for a personalized approach to recovery.
