Outpatient Opioid Addiction Treatment in the Shenandoah Valley

At SaVida Health Staunton, we offer **evidence-based, outpatient care** for individuals facing opioid addiction. Our treatment center combines **FDA-approved Medication-Assisted Treatment (MAT)** with personalized counseling, case management, and recovery support to help you build a stronger, healthier future.

Our experienced team of Suboxone providers delivers care with compassion, privacy, and respect—because recovery is personal, and so is the treatment you deserve.

Personalized Treatment That Works

We understand that no two recovery journeys are alike. That's why our services are tailored to your needs. Treatment options include:

- Suboxone® and Buprenorphine

- Other FDA-approved MAT options

- One-on-one counseling and behavioral support

- Case management and recovery coordination

- Relapse prevention and wellness planning

Our providers work with you to determine the right medication and support plan to fit your life, health goals, and long-term recovery needs.
