Description

Opioid Addiction Treatment in Vergennes, VT – Compassionate, Community-Centered Care

Welcome to SaVida Health's opioid addiction treatment center in Vergennes, VT. Our team of local Suboxone doctors is committed to delivering effective, compassionate, and respectful medication-assisted treatment (MAT) in a caring and confidential environment. We understand the journey to recovery is personal and challenging, which is why we offer in-house counseling, case management, and recovery assistance services to support your path to wellness.

Personalized Treatment Options

Our treatment options, including Suboxone and Buprenorphine, are chosen to best suit your individual needs. We are dedicated to helping you find the most appropriate treatment and are here to guide you through the decision-making process.

Convenient and Accessible Care

Recognizing the importance of accessibility, we offer same-day appointments and accept most types of insurance, including Medicaid. Our goal is to make quality care available without the need for long-distance travel, ensuring that you receive support in a respectful setting.

Tailored Outpatient Services

SaVida Health Vergennes provides FDA-approved addiction treatment within your local community. Our outpatient services are designed to offer quality care without interfering with your daily schedule and routine. There's no requirement for overnight stays, allowing you to maintain your personal and professional life while receiving treatment.

Start Your Recovery Journey

All inquiries at our Vergennes center are confidential, and we are here to assist you every step of the way. Start your recovery journey today with our expert team, who are dedicated to providing the help you need with the respect and care you deserve.
