Outpatient Opioid Addiction Treatment in Vergennes, VT

At SaVida Health Vergennes, we provide **personalized, outpatient care** for individuals seeking recovery from opioid addiction. Our clinic offers **FDA-approved Medication-Assisted Treatment (MAT)** with medications like Suboxone and Buprenorphine, along with counseling and case management services to support your full recovery.

Our team is here to provide care with dignity and compassion, right in the heart of your local community.

Treatment Tailored to You

We understand that each person's recovery journey is unique. That's why our treatment plans are built around your specific needs and goals. Services include:

- MAT using **Suboxone®**, **Buprenorphine**, and other FDA-approved options
- Individual counseling to support mental and emotional wellness
- Case management to assist with challenges like housing or transportation
- Same-day and telemedicine appointments when available

Ongoing relapse prevention and follow-up support

All care is delivered by licensed professionals who are dedicated to helping you succeed.

Convenient, Local Outpatient Services

Our clinic in Vergennes serves patients across Addison County and nearby communities including Middlebury, Ferrisburgh, and Bristol. We offer **outpatient care that fits into your daily life**, with no overnight stays required. Our flexible scheduling makes it easier to get the support you need while maintaining work, family, or school responsibilities.

Insurance Accepted and Confidential Care

We accept **Vermont Medicaid, Medicare, and most private insurance plans**. Our staff can assist with paperwork, verify coverage, and help you get started quickly. All inquiries and appointments are handled with complete confidentiality and professionalism.
