Description

Opioid Addiction Treatment in Virginia Beach – Personalized and Accessible Care

Welcome to SaVida Health Virginia Beach, your local opioid addiction treatment center serving Virginia Beach, Newport News, and surrounding areas. Our Suboxone doctors specialize in treating alcohol and opioid addiction with FDA-approved pharmacotherapy and counseling services. Our dedicated team of addiction treatment specialists provides respectful, compassionate, and confidential care to you or your loved one.

Tailored Treatment for Full Recovery

Our treatment plans are administered by licensed, caring, and experienced professionals who prioritize a full recovery. We offer personalized care that is individualized to each patient's needs, ensuring the most effective approach to recovery.

Supportive Services for a Healthier Life

We understand the challenges that come with addiction recovery. That's why we offer a variety of support services, including case management and counseling, to remove barriers and help you live a healthier, more fulfilling life. Our goal is to provide a safe and supportive environment for effective recovery from opioid and alcohol use disorders.

Convenient Access to Treatment

Easy access to local outpatient treatment is crucial for successful recovery. Our Virginia Beach center offers same-day and telemedicine/remote appointments to ensure convenient and timely care. This approach helps you maintain your daily schedules and family life while receiving the treatment you need.

Flexible and Effective Treatment Options

Our treatment options include Sublocade, Suboxone, Buprenorphine, and Vivitrol, among others. Contact SaVida Health Virginia Beach to find out which treatment options are right for you.

Insurance and Scheduling Flexibility

We accept Medicaid, Medicare, and most commercial insurance types, ensuring our treatments are accessible. Our center is conveniently located to minimize travel times and make treatment as accessible as possible.
