Outpatient Addiction Recovery Treatment in West Springfield, Massachusetts

SaVida Health in West Springfield, Massachusetts offers local, outpatient addiction treatment designed to meet the needs of patients without judgment, delays, or disruption. Whether you're seeking recovery for opioid or alcohol addiction, the SaVida team provides respectful, evidence-based care that works with your life, not against it.

FDA-approved medications, such as Suboxone, Buprenorphine, Vivitrol, and Sublocade are offered along with counseling, case management, and ongoing support to help patients build long-term recovery with confidence.

[Appointment Self Scheduling](#)

Same-Day Drug Rehab in Hampden County, MA

SaVida's West Springfield clinic provides:

- [Medication-Assisted Treatment \(MAT\)](#) for opioid and alcohol use disorders
- Licensed clinicians and [care coordinators](#) who tailor your treatment plan
- [Counseling and behavioral health support](#) for emotional and mental wellness
- Help with practical needs like transportation, housing referrals, and insurance navigation
- Same-day appointments and flexible scheduling, including [telehealth](#) options

SaVida understands that no two recovery journeys are the same. Recovery experts take time to understand your goals and challenges, then build a plan that fits your needs, without requiring an overnight stay or a disruption to your routine.

Accessible Addiction Treatment in Your Community

You shouldn't have to leave your life behind to get help. SaVida's outpatient model allows you to maintain work, care for your family, and stay connected to your support system while receiving expert care close to home.

Flexible Insurance Policy

SaVida Health West Springfield accepts Medicaid, Medicare, and most commercial insurance plans. If you have any questions or need assistance with your coverage plan, SaVida experts are here to help educate you on your options and ensure a swift and smooth recovery process.

Telemedicine Services

If you are not in a position to attend SaVida Health West Springfield in-person, treatment experts are available to support you virtually with whatever recovery assistance you may require.

Connect with the SaVida Health recovery team for custom counseling and support with your recovery goals.
