## Outpatient Addiction Treatment in Woodbridge, VA

SaVida Health Woodbridge provides evidence-based, respectful care for individuals seeking recovery from addiction to opioids(heroin, fentanyl, etc.), alcohol, and stimulants(cocaine, methamphetamine, etc.). SaVida's dynamic outpatient drug rehab program offers compassionate addiction treatment via FDA-approved [Medication-Assisted Treatment \(MAT\)](#), more specifically [Suboxone®](#), [Buprenorphine](#), [Sublocade®](#), and Vivitrol®. SaVida's unique offerings also include access to top-rated [substance abuse counselors](#) and holistic support services.

### Comprehensive Addiction Treatment in Woodbridge

SaVida's Woodbridge, VA treatment center offers addiction recovery treatment for the following substances:

#### Alcohol Addiction Treatment in Prince William County

SaVida Health's Woodbridge, VA location provides comprehensive alcohol addiction treatment, combining substance abuse care with behavioral counseling to support a dual-diagnosis approach. Addiction recovery care plans developed by [SaVida care coordinators](#) are fully personalized to each patient, addressing the full spectrum of alcohol's impact on the body, including effects on the liver, heart, brain structure, and mental health. Don't put off getting the help you deserve. [Book](#) your alcohol rehab appointment today.

#### Opiate Abuse Rehab Treatment in Woodbridge, VA

SaVida Health's dynamic rehab facility in Woodbridge offers outpatient care for opioid use disorder. SaVida addiction specialists approach opioid addiction treatment through a combination of medication-assisted treatment, counseling, [care coordination](#), and dual-diagnosis support. SaVida Health's addiction professionals address the full range of physical consequences associated with opioid abuse, including nausea, dizziness, constipation, breathing difficulties, and hypoxia, a dangerous reduction of oxygen to the brain that can result in coma or death. [Get started](#) with personalized, same-day opioid addiction recovery support at SaVida Health Woodbridge today.

#### Woodbridge VA Stimulant Addiction Treatment

SaVida's Woodbridge substance abuse treatment center provides targeted recovery support for stimulant addictions, including methamphetamine and cocaine. Using a combination of counseling, care coordination, [medication management](#), and dual-diagnosis treatment, addiction recovery specialists deliver rehabilitation that is both holistic and highly individualized. Stimulant abuse carries serious health risks, and SaVida's Woodbridge addiction rehabilitation team treats them all, from anxiety, appetite suppression, and malnutrition to heart irregularities, hallucinations, paranoia, severe cardiac damage, extreme weight loss, skin abscesses, and dental problems. Don't delay your recovery any longer. [Get started](#) with SaVida's addiction treatment program, customized to meet your specific needs today.

#### Impact of Addiction on Families

At SaVida Health Woodbridge, addiction treatment experts understand that addiction doesn't just affect the individual; it [touches every member of the family](#). The emotional weight, financial stress, and sense of disconnection that families experience are all taken seriously. SaVida is committed to providing families with compassionate emotional support and inclusive [group counseling](#), walking beside them throughout every stage of the recovery process.

### Accessible, Local Addiction Recovery Options in Prince William County, VA

You don't have to travel far to get help. SaVida's addiction rehab clinic in Woodbridge, VA, is conveniently located to serve patients in Prince William County and surrounding communities. Starting treatment close to home is quick and easy with:

- Same-day or next-day appointments when available
- Telehealth options for eligible patients
- Support with insurance and scheduling to reduce barriers to care

SaVida Health Woodbridge accepts Medicaid, Medicare, and most commercial insurance plans, and is here to help you get started quickly.

### Personalized Addiction Recovery Care That Meets You Where You Are

No two recovery journeys are the same. At SaVida Health Woodbridge, addiction recovery care providers work closely with you to build a treatment plan that reflects your goals, history, and daily life. Services include:

- Medication-Assisted Treatment (MAT) using Suboxone®, Sublocade®, Buprenorphine, or Vivitrol®
- Individual and group counseling to support your mental and emotional health
- [Case management](#) and recovery coaching to help with housing, transportation, child care, and other real-life challenges
- Integrated dual-diagnosis support for co-occurring mental health conditions

### Medication-Assisted Treatment (MAT) in Prince William County, VA

Medication-Assisted Treatment, or MAT, is a modern approach to addiction recovery that pairs FDA-approved medications with counseling and behavioral therapies. By targeting both the physical and psychological dimensions of substance use disorders, MAT offers a well-rounded path to healing. SaVida Health Woodbridge offers Suboxone, Vivitrol, and Brixadi as part of their MAT program, along with monthly Sublocade shots.

#### On-Site Narcan/Naloxone at Woodbridge Rehabilitation Center

SaVida's Woodbridge rehab facility keeps Narcan/Naloxone readily available on-site, enabling caregivers and bystanders to respond quickly in the event of a sudden overdose. SaVida's addiction treatment team strongly recommends follow-up care and monitoring following any Narcan administration.

### Most Major Insurances Accepted in Woodbridge, VA

SaVida Health Woodbridge accepts Virginia [Medicaid](#), Medicare, and most major commercial insurance plans, including Aetna, Cigna, and Humana.

#### Medicaid, Medicare, and Most Private Insurances accepted

SaVida's Woodbridge recovery care team is available to help verify your benefits and walk you through the intake process, so you can begin treatment with full confidence. Treatment specialists can assist with Medicaid and Medicare applications, making the path to recovery as smooth and efficient as possible. [Contact SaVida now](#) to confirm your insurance coverage and get your addiction recovery plan underway.

#### Anthem Insurance For VA Addiction Rehab

SaVida is pleased to partner with Anthem Insurance, which provides coverage for addiction patients throughout Virginia. Anthem Insurance holders are encouraged to [join SaVida Health](#) and take advantage of their covered [outpatient rehab](#) program.

### Telehealth Addiction Recovery Support in Prince William County

For patients who are unable to attend SaVida's Woodbridge facility in person, virtual recovery specialists are available through online sessions to provide ongoing support as recovery progresses. [Telehealth](#) is an especially convenient option for patients who are advancing well in their recovery and need flexibility around work schedules, parenting responsibilities, or transportation challenges.

### Holistic Addiction Support for Complex Recovery Needs in Prince William County

In addition to standard outpatient services, SaVida Health's Woodbridge substance abuse clinic also offers Intensive Outpatient Program (IOP) care for those who need additional structure and support. This is especially valuable for patients managing co-occurring mental health conditions such as anxiety, depression, or PTSD alongside addiction.

### Woodbridge, VA Dual-Diagnosis Addiction Treatment

SaVida Health understands the strong connection between substance use disorders and mental health conditions. SaVida's Woodbridge recovery specialists offer comprehensive dual-diagnosis treatment, simultaneously addressing substance abuse and any underlying mental health concerns. Through personalized recovery planning, counseling, and medication management where needed, SaVida ensures a thorough and deeply personal recovery experience. SaVida also provides treatment for [Hepatitis C](#) and [expecting mothers](#) in addition to care for opioid, alcohol, methamphetamine, and cocaine addiction.
