# Outpatient Opioid and Alcohol Addiction Treatment in Shenandoah County

SaVida Health Woodstock provides **personalized outpatient treatment** for individuals struggling with opioid or alcohol addiction. Our care model combines **FDA-approved Medication-Assisted Treatment (MAT)** with counseling and case management to support each person's unique path to recovery.

Whether you're new to treatment or returning after a setback, we meet you where you are—with dignity, expertise, and compassion.

## Individualized Treatment for Lasting Recovery

At our Woodstock clinic, we design treatment plans tailored to your specific needs and goals. Services include:

- **MAT with Suboxone®, Buprenorphine, and other FDA-approved options**

- One-on-one counseling and behavioral therapy

- Recovery support services, including case management

- Same-day appointments and flexible scheduling when available

- Confidential care from experienced addiction professionals

We take a whole-person approach that addresses both the physical and emotional aspects of addiction.

## Accessible, Local Outpatient Care

Our Woodstock location offers treatment in a supportive, outpatient setting, allowing you to receive care while continuing your daily life. We serve patients across **Shenandoah County and surrounding areas**, helping reduce barriers like:

- Long-distance travel

- Inpatient stay requirements

- Lack of scheduling flexibility

With **same-day appointments** and **telehealth options** available for eligible patients, we help you start treatment without delay.

## Affordable and Inclusive

We accept **Virginia Medicaid, Medicare, and most commercial insurance plans**. Our staff will help verify your benefits and guide you through the intake process, ensuring you feel confident and supported from the start.

## A Supportive Environment for Healing

We know recovery can feel overwhelming. That's why we prioritize creating a safe, respectful space where you can share openly, build trust, and focus on long-term progress.

Our team is here to guide you, not just through treatment, but through rebuilding your confidence, stability, and connection to life beyond addiction.
