Opioid Addiction Treatment in Worcester, MA – Personalized and Supportive Care

Welcome to our opioid addiction treatment center in Worcester, MA. Here, our Suboxone doctors specialize in outpatient medication-assisted treatment, offering a convenient and accessible option for those struggling with opioid and alcohol addiction. At SaVida Health, we utilize evidence-based, integrated treatment methods, combined with case management and support services, to ensure a comprehensive approach to your recovery.

Tailored Treatment for Individual Needs

Our experienced, dedicated, and professionally licensed staff is committed to working closely with you to develop a personalized treatment plan. Our medication options, including Vivitrol, Buprenorphine, Sublocade, and Suboxone, are chosen to best meet your individual needs.

Comprehensive Counseling and Support Services

Treatment plans at our Worcester center include individual counseling, group counseling, and medical management of FDA-approved medications. We also offer recovery assistance services designed to connect you with the necessary social and economic support for your recovery journey.

Respectful and Compassionate Care

We recognize addiction as a disease and not a personal failure. Our approach to treatment is respectful, compassionate, and confidential, ensuring that you receive the care you need in a supportive environment.

Accessible Local Treatment

Our local medication-assisted treatment center near Worcester provides individual and group counseling as part of our FDA-approved treatment program. In addition to counseling, we provide recovery support services aimed at helping our patients meet essential needs such as child care, housing, and transportation. This integrated approach is designed to help patients focus on their recovery.

Integrated Approach for Complex Needs

Many of our centers, including Worcester, offer intensive outpatient (IOP) treatment, which is beneficial for treating co-occurring mental illnesses alongside substance use disorders.
