Opioid Addiction Treatment in Wytheville, VA – Compassionate and Community-Focused Care

Welcome to SaVida Health's opioid addiction treatment center in Wytheville, VA. We provide FDA-approved medication-assisted treatment with rehab/recovery counseling for opioid and alcohol addiction. Our team of Suboxone doctors is dedicated to serving the local community and South Western Virginia with the respect and care you deserve.

Personalized Treatment Options

Our treatment center offers a range of medication-assisted options, including Sublocade, Suboxone, Buprenorphine, and Vivitrol, tailored to meet your specific needs. We believe in a personalized approach to help you on your journey to recovery.

Support for Long-Term Recovery

We understand the importance of comprehensive support in recovery. Our treatment plans include case management and various support services to ensure a successful, long-term recovery. We accept Medicaid, Medicare, and most types of insurance to make our services accessible.

Flexible and Convenient Care

Our flexible treatment plans are administered by licensed and experienced professionals who are committed to fitting into your schedule. We offer same-day appointments when possible, ensuring that you can receive timely care.

Local, Accessible Treatment in Wytheville

You or your loved one don't need to travel far or spend the night at a facility to get quality recovery help. Our outpatient treatment in Wytheville is designed to deliver flexible care that doesn't interfere with your daily schedule. We focus on providing treatment that is tailored to the individual, ensuring a personalized approach to recovery.
