Description

Outpatient Opioid and Alcohol Addiction Treatment in Wytheville, VA

SaVida Health Wytheville offers **personalized, outpatient treatment** for individuals struggling with opioid and alcohol addiction. Our licensed medical team provides **FDA-approved Medication-Assisted Treatment (MAT)** using Suboxone®, Sublocade®, Buprenorphine, and Vivitrol®, supported by counseling and case management—all delivered with respect, privacy, and compassion.

We serve Wytheville and surrounding communities in Southwest Virginia with local, accessible care that supports your recovery journey.

Individualized Treatment That Meets You Where You Are

No two recovery journeys are the same. That's why our Wytheville clinic offers:

- MAT options including **Suboxone®, Buprenorphine, Sublocade®, and Vivitrol®**
- One-on-one counseling and behavioral support
- Case management services for transportation, housing, and other needs
- **Same-day and telehealth appointments**, when available
- Personalized treatment plans developed by licensed addiction specialists

Flexible, Local Outpatient Services

You don't need to travel far or enter inpatient care to receive effective treatment. SaVida Health Wytheville offers:

- A local outpatient setting in **Wythe County**
- Convenient, community-based care that fits into your daily routine
- Flexible scheduling designed around work, school, or family life
- Confidential, non-judgmental support for individuals and families

Insurance and Accessibility

We accept **Virginia Medicaid, Medicare, and most commercial insurance plans**. Our care coordinators will help confirm your coverage, answer questions, and simplify the intake process so you can focus on healing.
